

Tanya's School of Dance

What a year 2007 has been - the most successful yet, starting with an increase of **95 new Pupils** this term alone! Just some of the things that have been achieved this year include:

CLASSES

Working with Schools - This was introduced as dance classes during school time at **Lewknor** and **Ickford Schools**, where nearly **half the entire school - boys and girls** - signed up the next day, including teachers, and where these lessons have proved so popular we have been asked to start a **class for the Mummies** as well.

New Classes - We have added **Brill** and **Launton** to the venues, including a **Babies Street Dance Class** in Launton, which is proving a huge success.

Massive Increase in Street - Both in Thame and Haddenham, Street Dance Classes are packed, with new Seniors joining the Tap and Ballet Classes as well.

UNIFORM

This has been introduced across the board this term, including Seniors, and everyone loves it! Most items come in a **choice of colours and styles**, and allow for loads of **individuality** within the School branding, letting each child express their own **personality**, which is very important to me. Even parents are wearing them!

PARTIES

Themed Parties - These were started this year, and the **High School Musical** parties are proving particularly popular with the younger children (others available - see website), while bookings for **Teenage Disco Parties** are the big request for the older children, with lots of both coming up in December.

WORKSHOPS

These have proved a huge success, with a **'Princesses and Pirates'** theme for the 3-7 year olds, and an **'Ultimate Street Dance'** day for the 7-13 year olds, so there will definitely be more coming up next year - watch the website for details.

INDIVIDUAL LESSONS

I have covered a variety of ages and styles this year, including **8 year old Louis Hubbick**, who I coached for a competition, which he then won!

I have also trained a group of **older gentlemen** from the Bill Nautical Society for a **'Top Hat and Tails'** number for one of their special occasions, and I teach a small group of **teenage girls** at a private lesson on a regular basis. Contact me to discuss your own special requirements.

SUMMER SHOW AND CHRISTMAS SHOW

At the beginning of December we will be putting on our **Annual Christmas Street Dance Show**, and Prize Giving will be taking place for all classes - this follows on from the huge success of the **Summer Show**, which you can see some pictures of on the website.

STOP PRESS!

The Dance School has just been invited by a group called 'Young Performers' to **dance at Her Majesty's Theatre in London**, which we are looking to do in the Spring of 2008!

Next year Tanya's School of Dance, originally run by my late mother Tanya, will be celebrating its **40th Birthday**, which will culminate in the **biggest Summer Show** to date.

Finally, I would like to **thank everyone** for this year's success, and to look forward to a fun packed year ahead!
