Hair and Make Up Guide

This years Winter Showcase is FESTIVAL themed, so we are asking all hair and make up to follow this. As you will see, there is a range of examples below. In true TSOD style, we are asking all dancers to have lots of facial glitter/jewels, hair worn in large space buns/French plaits. Boys are more than welcome to wear coloured hair spray, with glitter being optional. Glitter/jewels can be purchased at a very low cost from a ranged of places e.g. Primark, Superdrug, eBay and Amazon. Simply search 'festival face glitter/jewels'. For this years show, eye shadows, blush and lipstick are not a priority for all dances under the age of 16. Simply focus on the sparkle.

Leggings: If you have been asked to provide leggings for any of your son/daughters dances, we please ask that a fresh new pair are purchased, to prevent there being any faded/holey pairs. New Black Leggings can be purchased for as little as £3 from Primark/Tesco. The wearing of High Shine/Wet Look leggings is absolutely fine, these can be found on eBay at a very reasonable price by typing 'high shine black leggings).

Trainers: Any style of trainer can be worn for the performance, however all dancers MUST ensure they are clean and presentable before hand. All dancers are please asked to wash them, or wipe down with a baby wipe, especially white soles. Our shows only take place twice a year and it is extremely important dancers are presented immaculately.
